

BIG WIPES[®]

HEAVY-DUTY TECHNICAL DATA SHEET

DESCRIPTION

Industrial strength, antiviral, antibacterial, dual-sided 'scrub & clean' heavy-duty wipes that Clean, Disinfect and Protect. Ideal for use on the toughest stains and most ingrained dirt.

Antiviral & Antibacterial Protection

The Big Wipes product range conforms to EN 14476, thus effective against enveloped viruses, including SARS-Cov-2, the virus that causes Covid-19. The product also offers a massive >99.9% antibacterial protection (compliant with BS EN 1276) and is dermatologically tested with ZERO levels of skin irritation recorded.

4x4 Formula

4 x power solvents tackle the toughest grime and 4 x skin conditioners help to protect, nourish and moisturise the skin.

FEATURES	BENEFITS
Antiviral Efficacy – conforms to BS EN 14476	Proven to be effective against enveloped viruses, including SARS-CoV-2, the coronavirus that causes COVID-19. “PT1” (product type for hands) and “PT2” (product type for surfaces) registered. Suitable for the disinfection and sanitisation of both hands and surfaces. Efficacy has also been shown against: hepatitis B and C, HIV, influenza, herpesviridae, rubella, filoviridae, flavivirus and a whole host of others.
Antibacterial action – certified to BS EN 1276	Tests show 99.9%+ effectiveness against MRSA, C.Dif., E-Coli 157, Salmonella, Staphylococcus, Listeria and many more.
4x Power Solvents	Remove paint, adhesives, silicone, epoxy, PU foam, oil, grease and so much more from hands, tools and surfaces. Save money and time by fixing accidents immediately and effectively.
4x Skin Conditioners	Aloe Vera: natural healing plant, soothes, moisturises and hydrates the skin. Glycerine: mild, softening, allows for the absorption of the other conditioners. Lanolin: highly emollient, forms a protective film on the skin and moisturises Vitamin E: anti-oxidant, helps maintain cell structure by protecting and repairing cell membranes.
Dermatologically tested	Zero levels of irritation recorded on the entire volunteer group during controlled testing by dermatologists. Big Wipes are not tested on animals.
Inhibits Leptospira (Weil's Disease)	Weil's disease is a serious and sometimes fatal infection that is transmitted to humans by contact with urine from infected rats. Big Wipes effectively prevents the incubation of Leptospira (Weils) interrogans strain RGA.

BIG WIPES[®]

HEAVY-DUTY TECHNICAL DATA SHEET

FEATURES	BENEFITS
Biodegradable, low VOC, water-based formula. Free from: SLS, MIT, parabens, formaldehyde, phosphates, bleach, dyes & artificial preservatives	The user is protected from the exposure to toxic and hazardous substances and fumes. The environment also benefits from the reduction of chemicals dumped daily into water systems and polluting the air.
Dual sided scrub & clean Quad fabric. Firm grip, no slip	Scrub face – Latest high adhesion web technology ensures the fabric grips 40% more grime. Strong and tough Smooth face – With an absorbency of 7.93g/g, the fabric soaks up the muck and traps it in the wipe.

HANDLING INSTRUCTIONS

Remove wet wipe and clean soiled hand or surface with wipe. For best results, clean spills immediately. Always test on a hidden spot before use. Not suitable for some plastics, delicate surfaces and fabrics. Wipe again for disinfection. Dry fluid from hands before handling sensitive items or equipment. For hand use only. Always shut the lid after use and store at room temperature. For use by professionals.

CAUTION

Keep out of reach of children. Avoid contact with the eyes. In case of eye contact, immediately flush eyes thoroughly with water. If condition persists, contact a doctor.

INGREDIENTS

Biocide (528/2012/EC): 100g of the soaking solution contain:
0,64g Didecyldimethylammonium chloride (CAS 7173-51-5)

HEALTH & SAFETY

Material Safety Sheets are available separately.

SHELF LIFE

Unopened 36 months; Opened 12 months.

APPEARANCE

Blue dual-sided, scrub and clean, impregnated wipe
Fresh Citrus fragrance

BIG WIPES[®]

POWER SPRAY TECHNICAL DATA SHEET

DESCRIPTION

Powerful, fast-acting antibacterial specialist cleaning spray, which contains the same grime-busting formula as used in all the industrial Big Wipes 4x4 wipes.

4x4 Formula

The unique biodegradable, water-based formulation of 4x power cleansers ensures the removal of paint, adhesives, oil, sealants, silicones, PU foam and general grime. Preservative-free and designed to meet tough EU Regulation 1223/2009 for Cosmetic Products, Big Wipes Power Spray also contains 4x skin conditioners - Aloe Vera, Lanolin, Vitamin E and Glycerine – all helping to nourish and protect the skin.

USAGE

Use without water for heavy duty cleaning of surfaces, tools and hands. Ideal for cleaning or pre-treating larger areas such as walls, floors or window frames before wiping clean. Also perfect for 're-charging' any of the 4x4 Big Wipes.

FEATURES	BENEFITS
4x Power Cleansers	Removes paint, adhesives, silicone, epoxy, PU foam, oil, grease and more from surfaces, tools and hands. Save money and time by fixing accidents immediately and effectively.
4x Skin Conditioners	Aloe Vera: A natural healing plant, it soothes, moisturises and hydrates the skin. Glycerine: Mild, softening and moisturising, it allows for the absorption of the other conditioners. Lanolin: Highly emollient, it forms a protective film on the skin and moisturises dry, rough skin. Vitamin E: Anti-oxidant, helps maintain cell structure by protecting and repairing cell membranes.
Biodegradable, preservative-free, water-based formula	Zero levels of irritation recorded during controlled testing by dermatologists. Assessed to the latest EU Regulation 1223/2009 for Cosmetic Products. Kinder to the environment.
Antibacterial action	Tests show 99%+ effectiveness against MRSA, C.Dif., E-Coli 157, Weils (from rats), Salmonella, Staphylococcus and Listeria.
Low VOCs & dye free	No heavy fumes, non-staining, non-flammable.
